Greetings,

It seems only yesterday that we began Term 2, thinking about all the tasks that needed to be completed before the end of term. It's been a busy term - (aren't they all), - yet exciting with many achievements and good news. Our children have performed exceptionally well, on a number of stages, locally and at state level, in dance, sport, academic, music and Indonesian activities. In a final celebration of our achievements this term, Heather Brown and I will be attending the 'Malam Presentasi Sayembara Lisan' 2009, at Melbourne High school this Friday evening where we have eight students from Heany Park receiving awards. What a tremendous achievement!

We expect to begin our building program next term, with refurbishment of the school oval and building of six new classrooms and shared learning spaces. This will no doubt cause some inconvenience, but I have no doubt the end result will be well worth the bother.

I was fortunate to receive an invitation to 2SP's 'Poetry Afternoon' and attended the session today (Wednesday). What a delight it was to hear all the students perform some group poems and highly creative individual poems. They demonstrated a lot of pleasure in their task. I then visited 2SS 'Open Classroom' where I had the enjoyment of talking with students regarding their work. There were many proud students (& parents) as we discussed their progress in writing, in Maths and in their various projects.

As of 1 July 2009, smoking will be banned on Victorian Government school premises. This ban includes all activities that take place on school grounds and within all school buildings, both during and outside of school hours.

Student reports will be sent home this Friday with your child. Please remember that we finish school at 2:30pm on this day.

I wish you and your families a safe and enjoyable winter break and we look forward to seeing you on Monday 13 July.

Regards
David Rose
Principal

CHAPLAIN'S CORNER

Holidays are here again! Term two has been a busy one, with some good things happening. Kids Hope mentoring has become part of school life, and all feedback so far has been very positive. It is great to walk around and see our dedicated mentors working with their kids, wherever space allows, and already we can identify some of the benefits. Hoping your holidays are special, Linley Wilson, Chaplain
